Second Semester dates

January 12th The Many Faces of India

Mary Ann traveled to India in January of 2009 with Archbishop Dolan and other associates of Catholic Relief Services to meet with partners working with CRS. She toured a wide variety of organizations, institutions including: orphanages, missions, AIDS treatment centers, programs battling human trafficking, agricultural outposts and small rural schools. Come see, hear and be inspired by the ways that faith is making a difference in the lives of the poorest of the poor.

Presented By: Mary Ann Wigchers, Catholic Relief Services Advocate

February 9th Transitions in Life

How is God working through the many transitions in our life? We learn many valuable lessons along the way. We gain strength and insight by embracing the wisdom of each season, by letting go, and by prayerfully reflecting on what we've learned. God is with us always.

Presented By: Thelma Walker, Catholics for Peace and Justice

March 9th Be Present, Be Aware

There is a deep joy that resides in common experiences such as cooking, walking in nature, driving to work, eating, gardening, creating art and music, singing and even cleaning! By performing the tasks of daily life with mindfulness and presence, we gain easy and effortless access to the beauty of the present moment. Learn about how the mind works and practice using your body, mind and breath to become present in the precious moments of everyday life.

Presented By: Rebecca deVogel

April 13th **A New Spring Is Coming**

A new spring is coming and with it a new calling to relearn the art of pulling out the weeds of fear from our lives and planting new seeds of beauty. We celebrate the privilege of redesigning and beautifying the blessed landscape of our life.

Presented By: Paula Voelkel, Writer, Spiritual Leader and long-time friend and presenter at TYME OUT

May 11th **Opening the Window with Scripture and Art**

Springtime offers us spiritual renewal through the gift of the resurrection and nature's energies. "Open the window" to the Holy Spirit evolving in you through visualization, journaling and art making. Explore your soul wisdom guided by scripture, prayer and artistic co-creation.

Presented By: Michalene (Molly) Groshek, Master Artist and Art Teacher & Co-Founder of Work of Our Hands Workshops in Scripture and Creativity
